THE LATEST NEWS.

A special from Petersburg, Va., states that while about three hundred colored men were marching in procession, on Monday night, they threw stones at a house, smashing the windows and injuring a citizen. The excitement became so great, owing to these acts of violence, that a white and colored company were called out and kept under arms all night. A special from Knoxville, Tenn., says that the strike of the engineers and firemen on the East Tennessee, Virginia and Georgia Railroad, threatens to assume a dangerous character. The night passenger and all freight trains have been discontinued. A Washington special says the report that the Government proposes discharging a large number of employees engaged at navy yards and other public works, is denied by the Secretary of the Navy. He believes the duty of the Government in such a crisis as the present is to give all the aid it can to the material interests of the country. Employers East seem disposed to reduce the number of hours of work, and not discharge their employees. Greenbacks 92 1/2 to 93 1/2.

MONTANA GOATS.—Mr. Palmer, Lower Warm Spring Creek, says the Deer Lodge Independent of recent date, caught four more goats last week in the Cable mountains, and succeeded in bringing two of them alive, one a full-grown ewe and the other a male kid. They were bound and conveyed in a wagon to the ranch, fourteen miles northwest of town, where they will be properly taken care of. The captives were taken through Deer Lodge, where a short halt was made, on Monday, and attracted much attention. The young buck appeared quite tame, and seemed to rather like the attention paid him during his stay. This is, we believe, the first successful attempt at capturing a young goat, and we congratulate Mr. Palmer on his success, after a number of unsuccessful efforts. Should the young buck take kindly to civilization he will be taken to California, where he will have an opportunity of making the acquaintance of the Angora family of goats.
